

INVENTORY

Where items are marked with an * the number of items on each boat will correspond with the number of berths.

All boats have a colour television, DVD player, full size cooker and fridge, microwave oven and toaster.

(Please note that Beaumaris Castle does not have a microwave oven or toaster)

You can use 240 volt electric appliances on all boats, maximum 1000 watt per appliance. Beaumaris Castle has a 350 wattage limit for electrical items but, when the boat is charging, there is no limit as you are plugged into the mains.
